I am out of the office most of today and tomorrow so unless Phill has additional thoughts or edits, I am comfortable with you sending this directly to Patrick.

Marcia,

These edits look good to me. I accepted the changes and did some clean up in the attached clean version.

Hi Marcia,

## Ex. 5 AC/DP

**Ex. 5 AC/DP**

Sorry I didn't get this out on Friday - I left my power cord at home and ran out of battery before I found wifi after the drive. I will be in tomorrow if you want to discuss anything.

including anything you think I missed there.

Copying Apple, Phill, and Tim in case they also want to review before we send to Patrick.

I spent the afternoon going thru the docket documents. I summarized pertinent sections, by date or issue, and noted the page number and docket name in the attached document. It may be too much, but it was helpful to me to keep track of everything. It may be too much for Patrick, so didn't include him, but if it is helpful, pls share.

Patrick,

Attached is the SV alert (word version) and the schematics. I can't seem to locate the publisher version but Ginny may have it and can send if you want it. § **Ex. 5 Deliberative Process (DP)**
